

DON'T WORRY. BE COVERED.™
 Serious Business. Creative Solutions.

Alternative Risk Solutions: Increasingly, we find that alternatives to insurance make better sense for many of our business clients, and we expect this trend to continue. In order to ensure that TIS remains a leader in this specialized area of risk

innovation, we are pleased to announce that **Monica Thomason** has joined the firm as the Manager of our Alternative Risk Division. Ms. Thomason is an experienced captive organizer and manager. She has worked to establish captives in multiple domiciles including the Cayman Islands and Bermuda. Thanks to her mastery of the reinsurance marketplace and her solid relationships with leading underwriters and regulators worldwide, if you are looking to discover a better way, you will find it at TIS.
